

Jordan

A. Progress in the implementation of the minimum standard

Jordan has 39 tax agreements in force as reported in its response to the Peer Review questionnaire. Twenty-one of those agreements comply with the minimum standard.

Jordan signed the MLI in 2019 and deposited its instrument of ratification on 29 September 2020, listing its non-compliant agreements. The MLI entered into force for Jordan on 1 January 2021. The agreements modified by the MLI come into compliance with the minimum standard once the provisions of the MLI take effect.

Jordan is implementing the minimum standard through the inclusion of the preamble statement and the PPT.⁸³

B. Conclusion

No jurisdiction has raised any concerns about their agreements with Jordan.
