## The domestic legal and administrative framework

It is recommended that India amend or otherwise clarify that the annual consolidated group revenue threshold calculation rule applies in a manner consistent with the OECD guidance on currency fluctuations in respect of an MNE Group whose Ultimate Parent Entity is located in a jurisdiction other than India. This recommendation remains unchanged since the 2017/2018 peer review.

It is recommended that India amend its legislation or otherwise takes steps to ensure that local filing is only required in the circumstances contained in the terms of reference. This recommendation remains unchanged since the 2017/2018 peer review.

## The exchange of information framework

India's 2018/2019 peer report recommended that India take steps to put in place all the necessary processes and written procedures to ensure that the exchange of information is conducted in a manner consistent with the terms of reference relating to the exchange of information framework. These processes are now in place and the recommendation is removed.

### Appropriate use of CbC reports

India confirms that its rules have not changed and continue to be applied effectively. India continues to meet all terms of reference.
