

Belize

A. Progress in the implementation of the minimum standard

Belize has four tax agreements in force, as reported in its response to the Peer Review questionnaire, including the multilateral agreement among the members of the CARICOM concluded with ten of its treaty partners (the CARICOM Agreement).¹⁷

Belize signed the MLI in 2019, listing four tax agreements.

Belize is implementing the minimum standard through the inclusion of the preamble statement and the PPT.

The agreements that will be modified by the MLI will come into compliance with the minimum standard once the provisions of the MLI take effect.

B. Implementation issues

Belize is encouraged to bring the CARICOM Agreement up to date by commencing talks among all the treaty partners.¹⁸
