

Eswatini

A. Progress in the implementation of the minimum standard

Eswatini has five tax agreements in force, as reported in its peer review questionnaire.

None of Eswatini's agreements comply with the minimum standard or are subject to a complying instrument.

Eswatini has not signed the MLI.

B. Implementation issues

As Eswatini has not signed the MLI or implemented anti-treaty-shopping measures in its agreements, the Secretariat will offer its support to design a plan for the implementation of the minimum standard to strengthen its network of agreements.
