

Monaco

Monaco has met all aspects of the terms of reference (OECD, 2017^[31]) (ToR) for the calendar year 2018 (year in review) and no recommendation is made.

In the prior year report, Monaco did not receive any recommendations.

Monaco does not issue any type of ruling within the scope of the transparency framework. In the event that Monaco puts in place the administrative process to issue rulings within the scope of the transparency framework, Monaco notes that it would implement the transparency framework obligations.

As no exchanges were required to take place, no peer input was received in respect of the exchanges of information on rulings received from Monaco.

Introduction

This peer review covers Monaco's implementation of the BEPS Action 5 transparency framework for the year 2018. The report has four parts, each relating to a key part of the ToR. Each part is discussed in turn. A summary of recommendations is included at the end of this report.

A. The information gathering process

As no rulings are issued, this section is not assessed.

B. The exchange of information

As no rulings are issued, this section is not assessed.

C. Statistics (ToR IV)

As no rulings are issued, no statistics can be reported.

D. Matters related to intellectual property regimes (ToR I.4.1.3)

Monaco does not offer an intellectual property regime for which transparency requirements under the Action 5 Report (OECD, 2015^[5]) were imposed.

Summary of recommendations on implementation of the transparency framework

| Aspect of implementation of the transparency framework that should be improved | Recommendation for improvement |
