The exchange of information framework

Serbia has no bilateral relationships in place for the exchange of CbC reports nor processes to ensure that the exchange of information is conducted in a manner consistent with the terms of reference relating to the exchange of information framework.

It is recommended that Serbia take steps to have qualifying competent authority agreements in effect with jurisdictions of the Inclusive Framework that meet the confidentiality, consistency and appropriate use conditions and with which Serbia has an international exchange of information agreement in effect that allows for the automatic exchange of tax information.

It is recommended that Serbia take steps to implement the necessary processes or written procedures to ensure that the exchange of information is conducted in a manner consistent with the terms of reference relating to the exchange of information framework.

These recommendations remain in place since the 2018/2019 peer review.

Appropriate use of CbC reports

Serbia does not yet have controls in place to ensure the appropriate use of CbC reports.

It is recommended that Serbia take steps to ensure that the appropriate use condition is met ahead of the first exchanges of information. This recommendation remains in place since the 2018/2019 peer review.
