## Overall findings

### Overall determination on the legal framework: In Place

Bulgaria's legal framework implementing the AEOI Standard is in place and is consistent with the requirements of the AEOI Terms of Reference. This includes Bulgaria's domestic legislative framework requiring Reporting Financial Institutions to conduct the due diligence and reporting procedures (CR1) and its international legal framework to exchange the information with all of Bulgaria's Interested Appropriate Partners (CR2).

The methodology used for the peer reviews and that therefore underpins this report is outlined in Chapter 2.

## Conclusions on the legal framework

### General context

Bulgaria commenced exchanges under the AEOI Standard in 2017.

In order to provide for Reporting Financial Institutions to collect and report the information to be exchanged, Bulgaria:

- enacted Art. 142a to Art. 142y of the Tax and Social Security Procedure Code (TSSPC), §1a of the Additional Provisions of the TSSPC;
- enacted Order ZCU-1576/18.12.2015 of the Executive Director of the National Revenue Agency as amended by Order № ZCU-720/22.05.2018 of the Executive Director of the National Revenue Agency;
- introduced § 55 - § 66 of the Transitional and Concluding Provisions; and
- made reference to §2 of the Supplementary Provisions of the Measures Against Money Laundering Act implementing the FATF Recommendations for the purposes of the identification of Controlling Persons under the AEOI Standard.

Under this framework Reporting Financial Institutions were required to commence the due diligence procedures in relation to New Accounts from 1 January 2016. With respect to Preexisting Accounts, Reporting Financial Institutions were required to complete the due diligence procedures on High Value Individual Accounts by 31 December 2016 and on Lower Value Individual Accounts and Entity Accounts by 31 December 2017.

Following the initial Global Forum peer review, Bulgaria amended its legislative framework to address an issue identified, effective from 22 May 2018.

With respect to the exchange of information under the AEOI Standard, Bulgaria:

- is a Party to the Convention on Mutual Administrative Assistance in Tax Matters and activated the associated CRS Multilateral Competent Authority Agreement in time for exchanges in 2017;
- has in place European Directive 2011/16/EU on Administrative Cooperation in the Field of Taxation as amended by Directive 2014/107/EU; and
- has in place European Union agreements with five European third countries.<sup>1</sup>
