

# Montserrat

## Overall findings

### Overall determination on the legal framework: In Place

Montserrat's legal framework implementing the AEOI Standard is in place and is consistent with the requirements of the AEOI Terms of Reference. This includes Montserrat's domestic legislative framework requiring Reporting Financial Institutions to conduct the due diligence and reporting procedures (CR1) and its international legal framework to exchange the information with all of Montserrat's Interested Appropriate Partners (CR2).

The methodology used for the peer reviews and that therefore underpins this report is outlined in Chapter 2.

## Conclusions on the legal framework

### General context

Montserrat commenced exchanges under the AEOI Standard in 2017.

In order to provide for Reporting Financial Institutions to collect and report the information to be exchanged, Montserrat:

- enacted the Tax Information Exchange Act; and
- introduced the Tax Information Exchange (FATCA Agreement) (UK IGA) (CRS) (Montserrat) (Implementation) Regulations 2016, as amended in 2019.

Under this framework Reporting Financial Institutions were required to commence the due diligence procedures in relation to New Accounts from 1 January 2016. With respect to Preexisting Accounts, Reporting Financial Institutions were required to complete the due diligence procedures on High Value Individual Accounts by 31 December 2016 and on Lower Value Individual Accounts and Entity Accounts by 31 December 2017.

Following the initial Global Forum peer review, Montserrat amended its legislative framework to address issues identified, effective from 5 July 2019.

With respect to the exchange of information under the AEOI Standard, Montserrat:

- has the Convention on Mutual Administrative Assistance in Tax Matters in place<sup>1</sup> and activated the associated CRS Multilateral Competent Authority Agreement in time for exchanges in 2017; and
- put in place a bilateral agreement.<sup>2</sup>

The assessment presented in this report is accepted. However, notwithstanding the Confidentiality and Data Security assessment, Montserrat continues to be committed to ensuring that there is transparency in the tax systems and to exchange information with other partners where required.
