Notes

¹ It is noted that a few Qualifying Competent Authority agreements are not in effect with jurisdictions of the Inclusive Framework that meet the confidentiality condition and have legislation in place: this may be because the partner jurisdictions considered do not have the Convention in effect for the first reporting period, or may not have listed the reviewed jurisdiction in their notifications under Section 8 of the CbC MCAA.

² The CbC Reporting Group will monitor Switzerland to ensure that these processes continue to apply when it starts exchanging reports via the Common Transmission System in 2020.
