

# Cabo Verde

## A. Progress in the implementation of the minimum standard

Cabo Verde has three tax agreements in force, as reported in its response to the Peer Review questionnaire.

None of Cabo Verde's agreements comply with the minimum standard or are subject to a complying instrument.

Cabo Verde has not signed the MLI.

## B. Implementation issues

As Cabo Verde has not signed the MLI or implemented anti-treaty-shopping measures in its agreements, the Secretariat will offer its support to design a plan for the implementation of the minimum standard to strengthen its network of agreements.
