

Monaco

A. Progress in the implementation of the minimum standard

Monaco has ten tax agreements in force, as reported in its response to the Peer Review questionnaire. Six of those agreements comply with the minimum standard.

Monaco signed the MLI in 2017 and deposited its instrument of ratification on 10 January 2019. The MLI entered into force for Monaco on 1 May 2019. The agreements modified by the MLI come into compliance with the minimum standard once the provisions of the MLI take effect.

Monaco has not listed its agreement with Malta under the MLI but indicated in its response to the Peer Review questionnaire that steps have been taken (other than under the MLI) to implement the minimum standard in its agreements with Malta and Mali*.

Monaco is implementing the minimum standard through the inclusion of the preamble statement and the PPT.¹⁰⁷

B. Conclusion
