

Pakistan

A. Progress in the implementation of the minimum standard

Pakistan has 66 tax agreements in force, as reported in its response to the Peer Review questionnaire. Thirty-four of those agreements comply with the minimum standard.

Pakistan signed the MLI in 2017 and deposited its instrument of ratification on 18 December 2020, listing its non-compliant agreements. The MLI entered into force for Pakistan on 1 April 2021. The agreements modified by the MLI come into compliance with the minimum standard once the provisions of the MLI take effect.

Pakistan is implementing the minimum standard through the inclusion of the preamble statement and the PPT.¹¹⁹

B. Conclusion

No jurisdiction has raised any concerns about their agreements with Pakistan.
