## Overall findings

### Overall determination on the legal framework: In Place

Ireland's legal framework implementing the AEOI Standard is in place and is consistent with the requirements of the AEOI Terms of Reference. This includes Ireland's domestic legislative framework requiring Reporting Financial Institutions to conduct the due diligence and reporting procedures (CR1) and its international legal framework to exchange the information with all of Ireland's Interested Appropriate Partners (CR2).

The methodology used for the peer reviews and that therefore underpins this report is outlined in Chapter 2.

## Conclusions on the legal framework

### General context

Ireland commenced exchanges under the AEOI Standard in 2017.

In order to provide for Reporting Financial Institutions to collect and report the information to be exchanged, Ireland:

- amended Chapter 3 of Part 38 of the Taxes Consolidation Act, 1997 through Section 28 of the Finance Act 2014, to insert a new section 891F into the Taxes Consolidation Act, 1997;
- enacted Statutory Instrument No. 583 of 2015 and Statutory Instrument No. 560 of 2016 (European Union (Anti-Money Laundering: Beneficial Ownership of Corporate Entities) Regulations 2016);
- issued further guidance, which is not legally binding; and
- made reference to the Criminal Justice (Money Laundering and Terrorist Financing)(Amendment) Act, 2018 implementing the FATF Recommendations for the purposes of the identification of Controlling Persons under the AEOI Standard.

Under this framework Reporting Financial Institutions were required to commence the due diligence procedures in relation to New Accounts from 1 January 2016. With respect to Preexisting Accounts, Reporting Financial Institutions were required to complete the due diligence procedures on High Value Individual Accounts by 31 December 2016 and on Lower Value Individual Accounts and Entity Accounts by 31 December 2017.

With respect to the exchange of information under the AEOI Standard, Ireland:

- is a Party to the Convention on Mutual Administrative Assistance in Tax Matters and activated the associated CRS Multilateral Competent Authority Agreement in time for exchanges in 2017;
- has in place European Directive 2011/16/EU on Administrative Cooperation in the Field of Taxation as amended by Directive 2014/107/EU;
- has in place European Union agreements with five European third countries<sup>1</sup>; and
- put in place three bilateral agreements.<sup>2</sup>
