

Greece

Overall findings

Overall determination on the legal framework: In Place

Greece's legal framework implementing the AEOI Standard is in place and is consistent with the requirements of the AEOI Terms of Reference. This includes Greece's domestic legislative framework requiring Reporting Financial Institutions to conduct the due diligence and reporting procedures (CR1) and its international legal framework to exchange the information with all of Greece's Interested Appropriate Partners (CR2).

The methodology used for the peer reviews and that therefore underpins this report is outlined in Chapter 2.

Conclusions on the legal framework

General context

Greece commenced exchanges under the AEOI Standard in 2017.

In order to provide for Reporting Financial Institutions to collect and report the information to be exchanged Greece:

- enacted Law 4428/2016, "Ratification of Multilateral Competent Authority Agreement on Automatic Exchange of Financial Account Information and implementing provisions";
- made reference to Law 4174/2013 "Tax Procedure Code and other provisions";
- issued the following Decisions from the Governor of the Independent Authority for Public Revenue: No. 1130/2017 as amended, No. 1133/2017 as amended and No. 1137/2017 as amended;
- issued the Joint Decision No. 1157/2018 of the Governor of the Independent Authority for Public Revenue and the Minister of Finance; and
- made reference to Law 4557/2018, "Prevention and suppression of money laundering and terrorist financing (transposition of Directive 2015/849/EU) and other provisions" for the purposes of the identification of Controlling Persons under the AEOI Standard.

Under this framework Reporting Financial Institutions were required to commence the due diligence procedures in relation to New Accounts from 1 January 2016. With respect to Preexisting Accounts, Reporting Financial Institutions were required to complete the due diligence procedures on High Value Individual Accounts by 31 December 2016 and on Lower Value Individual Accounts and Entity Accounts by 31 December 2017.

Following the initial Global Forum peer review, Greece made several amendments to its legislative framework to address issues identified, the last of which was effective from 9 July 2018.

With respect to the exchange of information under the AEOI Standard, Greece:

- Is a Party to the Convention on Mutual Administrative Assistance in Tax Matters and activated the associated CRS Multilateral Competent Authority Agreement in time for exchanges in 2017;
- has in place European Directive 2011/16/EU on Administrative Cooperation in the Field of Taxation, as amended by Directive 2014/107/EU; and
- has in place European Union agreements with five European third countries.¹
