

Barbados

1. Barbados was first reviewed during the 2017/2018 peer review. This report is supplementary to Barbados's 2017/2018 peer review report (OECD, 2018^[1]). There is no filing obligation for a CbC report in Barbados yet.

Summary of key findings

2. Barbados does not yet have legislation in place for implementing the BEPS Action 13 minimum standard. It is recommended that Barbados take steps to implement a domestic legal and administrative framework to impose and enforce CbC reporting requirements as soon as possible. This recommendation remains unchanged since the 2017/2018 peer review.

3. It is recommended that Barbados take steps to have QCAAs in effect with jurisdictions of the Inclusive Framework which meet the confidentiality, consistency and appropriate use prerequisites and with which it has an international agreement in place which allows for the automatic exchange of information. This recommendation remains unchanged since the 2017/2018 peer review.

4. It is recommended that Barbados take steps to implement processes or written procedures to ensure that the exchange of information is conducted in a manner consistent with the terms of reference (OECD, 2017^[2]) relating to the exchange of information framework ahead of the first exchanges of information.

5. It is recommended that Barbados take steps to ensure that the appropriate use condition is met ahead of the first exchanges of information. This recommendation remains unchanged since the 2017/2018 peer review.

6. It is however noted that Barbados will not be exchanging CbC reports in 2019.

23. Further, it is recommended that Barbados take steps to implement processes or written procedures to ensure that the exchange of information is conducted in a manner consistent with the terms of reference relating to the exchange of information framework ahead of its first exchanges of information.

24. It is however noted that Barbados will not be exchanging CbC reports in 2019.
