As Greece has taken steps to address this issue, no recommendation is made but this aspect will be monitored.

## Appropriate use of CbC reports

Greece confirms that its rules have not changed and continue to be applied effectively. Greece continues to meet all terms of reference.

## Note

<sup>1</sup> Greece's 2017/2018 peer review included a general monitoring point relating to a specific process that would allow Greece to take appropriate measures in case Greece is notified by another jurisdiction that such other jurisdiction has reason to believe that an error may have led to incorrect or incomplete information reporting by a Reporting Entity or that there is non-compliance of a Reporting Entity with respect to its obligation to file a CbC report. This monitoring point remains in place.
